**QI) Read the given passage and answer the following questions in one sentence each.**

**(5Q x 1M = 5M)**

Timmy and Lily are best friends. One sunny afternoon, they decided to go on an adventure in the forest near their home. They packed a small bag with snacks, water, and a map. Timmy carried a flashlight, and Lily brought a camera to take pictures of any interesting animals they might see.

As they walked deeper into the forest, they saw a rabbit hopping along the path. Lily took a picture of the rabbit while Timmy laughed. After walking for a while, they found a big tree with a hollow space inside. They sat under the tree and ate their snacks. Suddenly, they heard birds chirping above them. They looked up and saw colourful parrots flying in the sky.

Timmy and Lily had so much fun that they promised to go on another adventure the next weekend.
