

Q.I) Read the given passage and answer the following questions.

A fox and his wife wanted to eat chicken. So, the fox silently went into a farmer's field nearby. He caught a chicken moving lonely and put it in his bag. A good monkey on a tree saw this incident. The monkey followed the fox. On his way home, the fox stopped at a lake to drink water, keeping the bag aside. The monkey silently released the chicken from the bag and held a pumpkin in its place. The fox reached home. His wife was heating water in an earthen pot to boil the chicken. She eagerly took the bag and dumped it in the pot. Due to the pumpkin's weight, the earthen pot was broken.
