QI A) Read the passage and answer the following questions : (1Q X5M=5M)

One sunny afternoon, Emma was playing in her backyard when she heard a soft whimpering sound. Curious, she followed the sound and found a small brown puppy hiding behind a bush. The puppy looked scared and hungry. Emma gently picked it up and brought it inside her house. She gave the puppy some water and a little food.

Emma's mom suggested they put up posters around the neighborhood to find the puppy's owner. They made colorful posters with a picture of the puppy and Emma helped her mom hang them on trees and lamp posts. The next day, a man named Mr. Johnson called. He was very happy because he had been looking for his lost puppy, Max. When Mr. Johnson arrived, Max wagged his tail excitedly and jumped into his owner's arms. Mr. Johnson thanked Emma and gave her a small box of chocolates. Emma felt proud and happy knowing she helped reunite Max with his owner.
