L No- 7& 8 The Little Fir Tree , Daffodils

Q.I) Read the given passage and answer the following questions :

Once upon a time, in a small village, there lived a kind girl named Anya. Anya loved animals and often helped her father on their farm. One sunny day, while walking near the river, she found a little puppy that was lost and shivering. Anya picked up the puppy and took it home. She named it Max.

Anya took care of Max, feeding him and playing with him every day. Max became very happy and loved Anya very much. They played together in the fields, ran around the trees, and even went on adventures to explore the village. Everyone in the village loved Max too, and he became a part of Anya's family.

One day, while playing in the garden, Max chased a butterfly and ran away. Anya searched everywhere for him, calling his name, "Max! Max!" Finally, she found him under a big tree, happily barking at the butterfly. Anya was relieved and hugged Max tightly. She learned that even when things seem scary, love and friendship always bring happiness.
