SUBJECT: English

LS NO - 5. Peter Pumpkin Picker

Draw a picture of a pumpkin and write few of its health benefits.

Q.1. Keywords and Word meanings:

1. Shreds: Crumbs or pieces
2. mound: a pile
3. frosty dirt: mud covered with frost
4. spud : potato
5. clump :bunch
6. Poking : sticking out
7. Fall: autumn season

Q.2. Answer the following questions:

(a). How did Peter like to eat his pumpkins?

Ans: Peter liked his pumpkin to be sweet and crunchy to eat.

(b). How did Peter find out about the potatoes? Do you think he grew the pumpkins?

Ans: He looked for the pumpkin, then he found potatoes. Yes he grew the pumpkin.

(c). Was pumpkin cultivation common in Peter's neighbourhood? Justify.

Ans: No, pumpkin cultivation was not common in Peter's neighbourhood. He was the only one who used to grow pumpkins because he liked the pumpkins.

(d). Do You think Peter ever got tired of eating pumpkins? Justify.

Ans. No, because he was never fed up with eating pumpkin. He liked to eat more and more pumpkins.

Q.3. Reference to Context:

(a) Through the season Peter ate,
Until the day he had none stored.
With no more pumpkins on his plate,
Hungry Peter got quite bored.

(i) Which season is referred to in the first line?

Ans: It is referred to the Autumn season

(ii) Name the meals/ dishes that Peter ate?

Ans: He ate stew and soup.

(iii) Why was Peter bored?

Ans: Peter was bored because the pumpkin was finished.

(b). Then he fell on frosty dirt,
And knocked his head upon a mound.
When he stood and looked about,
Can you guess what Peter found?

(i). The words 'frosty dirt' refer to the beginning of which season?

Ans: It refers to the Winter season

(ii) What was Peter looking around for?

Ans: Peter was looking around for a pumpkin.

(iii). What did Peter actually find?

Ans: Peter actually found potatoes.

Post activity-

1. Name some fruits and vegetables that we get in the rainy season, .
