LESSON 3. Safe Biking with Dad

Pre -Activity-

Draw 4 to 5 road signs which you have noticed on the road.

Q.1. Keywords and Word meanings:

1. swerve- change direction suddenly.
2. pothole- hollow in a road surface.
3. handlebars- the curved metal bars with handles at each end, to hold and ride bicycle.
4. honked- blew the horn.
5. crash- to hit something.

Q.2. Answer the following questions:

(a). Where did the mother of the children go?

Ans: The mother of the children went to set up their picnic.

(b). Why do you think Charlie and Jennie's father was riding behind them?

Ans: Charlie and Jennie's father was riding behind them because he was nervous and wanted to make sure they were safe while riding their bikes.

(c). Name some vehicles that the children must have seen on the road?

Ans: The children must have seen cars, buses, scooters, trucks etc.

(d). What mistake did Dad make that made him crash?

Ans: Dad lifted his hand to pat Charlie on the shoulder. He didn't see the pothole until he hit it and crashed.

(e). Why was Dad nervous again?

Ans: Dad was nervous because he had to ride back home again.

(f). Who do you think rode their bicycle more safely? Why?

Ans: Jennie and Charlie rode their bicycle more safely because they look both ways for any vehicles and gave signal to other vehicles on the road.

(g). Why was Dad feeling so proud?

Ans. Dad felt so proud that he rode after them without signalling or looking.

(h). What is the first thing we must do when we ride a bike?

Ans. We must first put on our helmets to protect our head if we crash.

(i). What happened after Dad asked Charlie to stay on the right side of the road?

Ans. As a car honked behind Dad, Charlie moved over to the right side of the road.

Q.3. Reference to Context:

(a). "Be careful because you never know when a car door might open."

Q.1. Who said these words to whom?

Ans: Dad said these words to Jennie.

Q.2. What do we do at a stop sign?

Ans: We stop and look both ways for any vehicles.

Q.3. What do we do if we need to make a left turn?

Ans: We give a signal to other vehicles on the road.

Q4. Life skills and values.

(a) Is it important to follow bike safety rules? Why or why not?

Ans. Yes, it is important to follow bike safety rules because they protect us from accidents.

Post activity-

1. Imagine you and your friend are cycling in the park. While cycling, your friend falls down. He is badly hurt and bleeding. What would you do to help him?
