

**Affiliation No. 1130703**  
**ACADEMIC SESSION 2023-24**  
**WORKSHEET 8**

**Prepared by: Jyotsna. R.**  
**Subject: English**

**Class: III**

**Q.I Read the passage below and answer the questions that follow:**

**An elephant is the largest land animal on earth. They are known for their long trunks, large ears and strong bodies. Elephants live in different parts of the world like Africa, Asia and the Middle East.**

**Elephants are social animals and live in herds. The leader of the herd is usually the oldest and strongest female elephant. Elephants use their trunks to communicate with each other and gather food. They use their trunks to spray water over their bodies to keep cool. Elephants are endangered species, which means there aren't many left in the world. People are working to protect elephants and their habitats.**
