Ans. The postman is responsible for collecting the mails or letters from the post box.

3. What is the importance of a traffic policeman?

Ans. Traffic policeman helps to improve the flow of traffic considering the safety of citizen.

QIV. Long answers questions.

1. What are the different facilities given at school to children?

Ans. There are various facilities given by the school like good infrastructure such as building, classrooms, a library, a medical room, Playgrounds etc. The government schools also provide mid-day meals to children.

2. Why do we need police services?

Ans. A police station is an office for the police force. Here people can report a theft, accident etc. and seek help. Presence of police is essential to maintain peace, law and order during fairs, festivals and VIP visits. They also handle the movement of the crowd on roads.

3. Write the process of posting letter.

Ans. The process of writing a letter is as follows:

- We first write a letter and put it in an envelope.
- We need to buy a stamp from the post office and stick it on the envelop.
- We must mention the name and address of the person to whom the letter needs to be sent.
- After that it is posted in the post box.

4. Describe the banking system.

Ans. The banking system works in the following way:

- We open an account in the bank.
- We make use of this account for saving our money.
- We can take out our money from here whenever we need it.
- The bank helps people by providing loans.

Post Activity- Draw the flow chart of Government Services (Page no- 300)
